Still another project on Karen's heart is an outreach to help those battling Multiple Sclerosis (MS). Her hope is to provide a network of support, information and resources to those in need in honor of her sister Trellis E Breton who suffered with MS for over 30 years.

SETTING THE CAPTIVE FREE

Isaiah 61:1

The Spirit of the Lord is upon me; because the Lord has anointed me to preach good tidings unto the meek; he has sent me to bind up the broken hearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound...

Karen Marsh is an Ordained Minister, President and Founder of Jesus is the Answer World Wide Ministries, and author of over 20 books. In 1988, Karen was set free from drugs and alcohol when she received the Baptism of the Holy Spirit.

Though Karen was born in Augusta, GA, she is a lifelong resident of Savannah, GA.

Karen first began ministry in the workplace. For many years she owned and operated childcare businesses; hundreds of children were led to salvation in Jesus and received the Baptism of the Holy Spirit. During this time, she ministered powerfully at the women's prison and the Mission Bible Training Centers in Savannah, GA. As she grew in ministry, she began speaking and teaching at prisons and Mission Bible Training Centers across the U.S. This was just the beginning of what was to come.

In the year 2003, Karen answered God's call to full-time ministry, traveling extensively throughout the United States, and in other countries including Haiti, and Costa Rica. She ministers in churches, revivals, conferences, seminars, women's meetings, and home meetings, where she shares the Word of God and her testimonies of how God set her free. She has been used mightily in the prophetic, healings, miracles and deliverance. Many have been set free by the anointing on her life. Karen has been seen on national Christian television and spoken several times on Christian radio stations throughout the US.

Karen's heart's cry is to see the lost saved and baptized in the Holy Spirit, and the wounded healed and set free by the power of God. Through this ministry, thousands have come to know Jesus and have experienced the Baptism of the Holy Spirit.

Prophetic Preaching and Teaching From the Word of God. Healings, Prophecies and Manifestations of the Holy Spirit.

Much of Karen's ministry involves prophetic preaching and teaching from the Word of God. Her love for His Word is obvious as she brings

forth concepts laid upon her heart by the Holy Spirit.

As the Holy Spirit has His way in her meetings, the prophetic preaching and teaching begins to flow, prophecies, words of knowledge,

healings and other manifestations of the Holy Spirit abound. Multiple people have shared testimonies about a healing they had received or about a prophetic word coming to pass. One woman called to tell Karen she had not only received a healing in one of her services, but that Karen had been the only one to pinpoint the exact problem she was having and that once she prayed for her, the ailment never returned.

If you would like for Karen to minister at an event or meeting, please contact her at the information listed on the front of this brochure.
